Instructions for Completing the Continuity of Care Request Form

A separate Continuity of Care Request Form must be completed for each condition for which you and/or your dependent is seeking Continuity of Care. Please make sure that all questions are completely answered. If you need help in completing the form, call us at 1 (855) 343-2247. When the form is completed, it must be signed by the patient for whom the Continuity of Care benefits have been requested. If patient is a minor, a parent's or guardian's signature is necessary.

The first few sections of the form apply to the employee. When the form asks for the patient's name, only the name of the person who is actually undergoing care and is requesting Continuity of Care should be reflected.

To help ensure a timely review of your Continuity of Care request, please return the form as soon as possible. If you are requesting Continuity of Care with a terminated provider, you must apply within 30 days of the provider's termination date. Exceptions to the 30 calendar day time frame will be considered for good cause. CCH will notify you in writing of the approval or denial of your request.

The completed form should be emailed to: COC@communitycarehealth.org or sent by mail or fax to:
