| What is the overall <a href="#">deductible</a> ?                                | \$2,150 Individual / \$4,300 Family                                                                                                                                                               | Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .                                                                                                                                                                                                            |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes. <a href="#">Preventive care</a> and the other services listed in the “What you will pay” column of the chart starting on page 2, indicates services covered before you meet your deductible. | This <a href="#">plan</a> covers some items and services even if you haven’t yet met the <a href="#">deductible</a> amount, but a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . | Are there other <a href="#">deductibles</a> for specific services?              | No.                                                                                                                                                                                               | You don’t have to meet <a href="#">deductibles</a> for a specific service.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | Medical: \$7,550 Individual / \$15,100 Family<br>Pediatric Dental: \$350 Individual / \$700 Family                                                                                                | The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.                                                                                                                                                                                                                                                                                                                                                             |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | <a href="#">Copayment</a> for certain services, <a href="#">premiums</a> , <a href="#">balancing-billing</a> charges, and health care this plan doesn’t cover.                                    | Even though you pay these expenses, they don’t count toward the <a href="#">out-of-pocket limit</a> .                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.communitycarehealth.org">www.communitycarehealth.org</a> or call 1-855-343-2247 for a list of <a href="#">network providers</a> .                                    | This <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
