How Rates are Calculated

The rate for a family is based on the combined ages of the employee, spouse, all dependents 21 and older, and up to the three oldest dependents age 20 or younger. All plans include pediatric dental and vision up to age 19.

Rating for Infertility Rider

All plans are available with infertility coverage. The rates for plans with infertility coverage begin on page 7.

- Age banded rates, 3:1 max ratio
- Member-level rating
- Single rating area
- Based on the zip code of the employer's principal business address
- No risk adjustment factors (RAFs)
